HEVER CASTLE
& GARDENS

CHILDHOOD HOME OF ANNE BOLEYN

# KEY STAGE 2
# GEOGRAPHY TRAIL

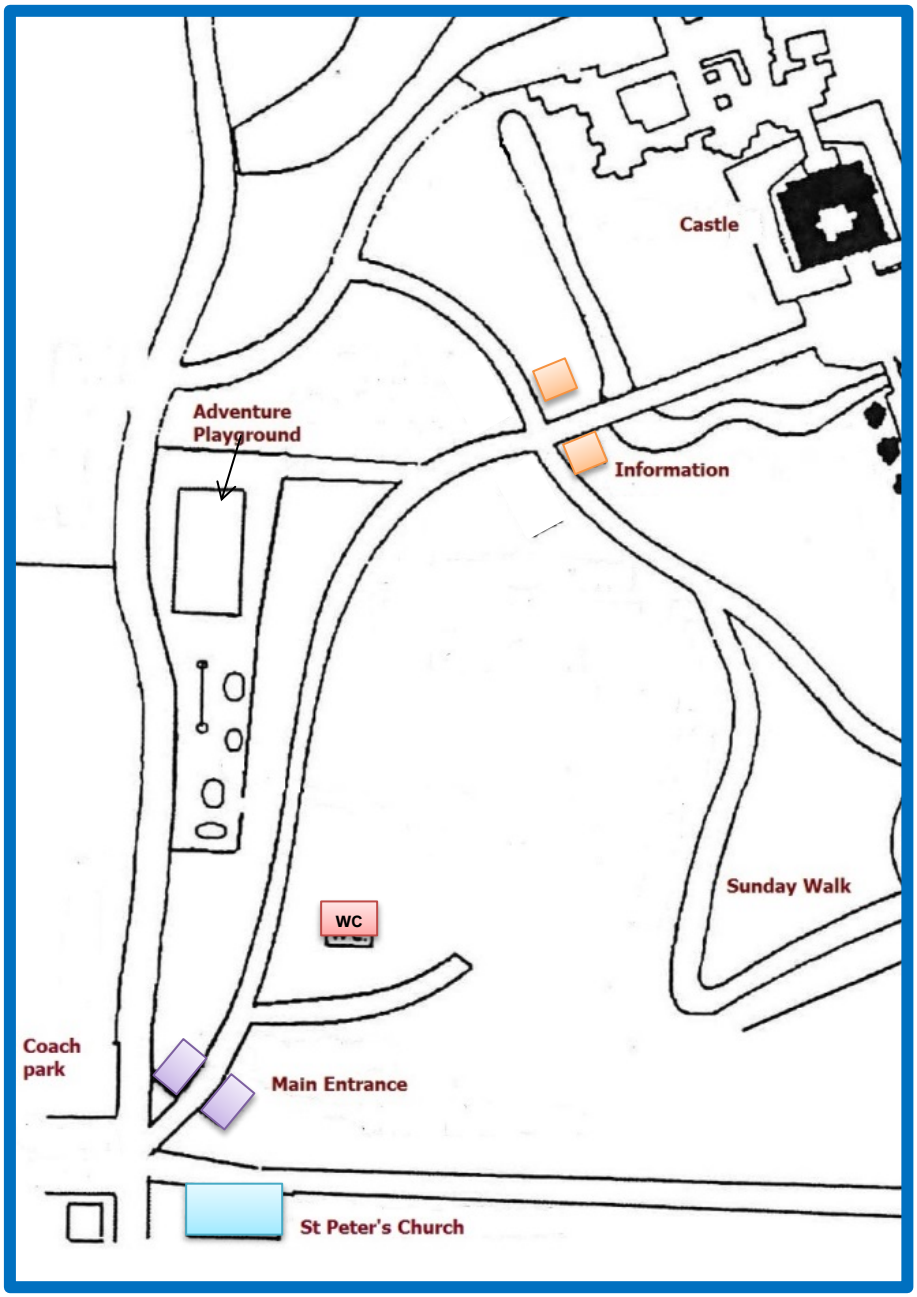

Remember to bring your pencil

# 1. INFORMATION CENTRE

a. Make a note of what man-made features you can see that have been put in place to help people visiting Hever Castle and Gardens.

b. Suggest a feature of the landscape which makes the Information Centre, Hever Shop and Moat Restaurant vulnerable to flooding.

c. Plot the position of the Hever Shop and Moat Restaurant and then draw them on the map below.

# 2. CASTLE GATEHOUSE

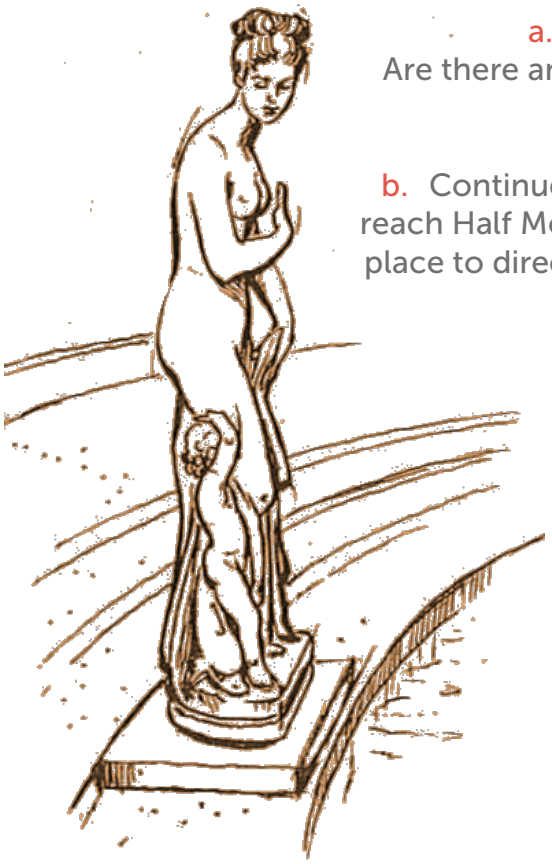

Follow the path from the Information Hut to the Castle Gatehouse.

a. Stand facing the Castle. Turn 180° to your right. In which direction are you now facing? *Clue: use the map on page 7.*

b. Keeping in the same position and direction draw a sketch of the view you can see. Label the bridge, Golden Stairs and outer moat. Include a labelled compass in the top right hand corner

# 3. HALF MOON POND

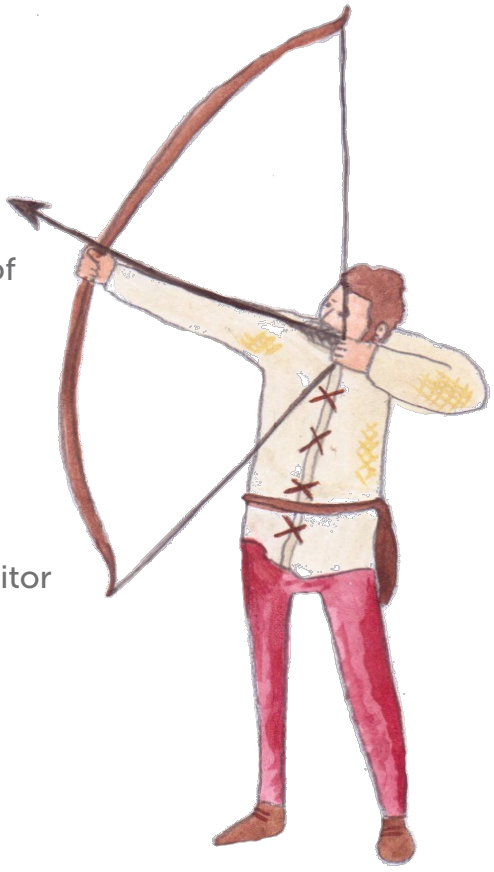

a. Cross the bridge opposite the Castle. Look to your left. Are there any signs of erosion on the banks of the outer moat?

b. Continue along the path in a north easterly direction until you reach Half Moon Pond. What man-made feature has been put in place to direct visitors towards the Lavender Loos?

c. In which direction do you have to look to find the Castle?

# 4. ITALIAN GARDENS

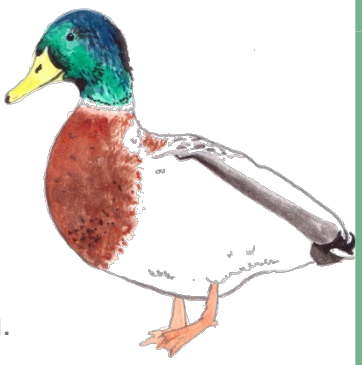

With Half Moon Pond behind you, walk through the left set of golden gates into the Italian Gardens.

a. Describe where the Italian Gardens are in relation to the Castle.

b. Describe what the weather is like today.

c. Do you think that the weather has had an effect on visitor numbers?

# 5. LAKE

a. Note and briefly describe any evidence of human impact on the lake.

b. Stand on the Loggia facing the lake with the fountain behind you. Draw a sketch map of what you can see. Label the Japanese Teahouse Folly, Lake, Water Maze, Boathouse and Loggia.

# 6. ROSE GARDEN

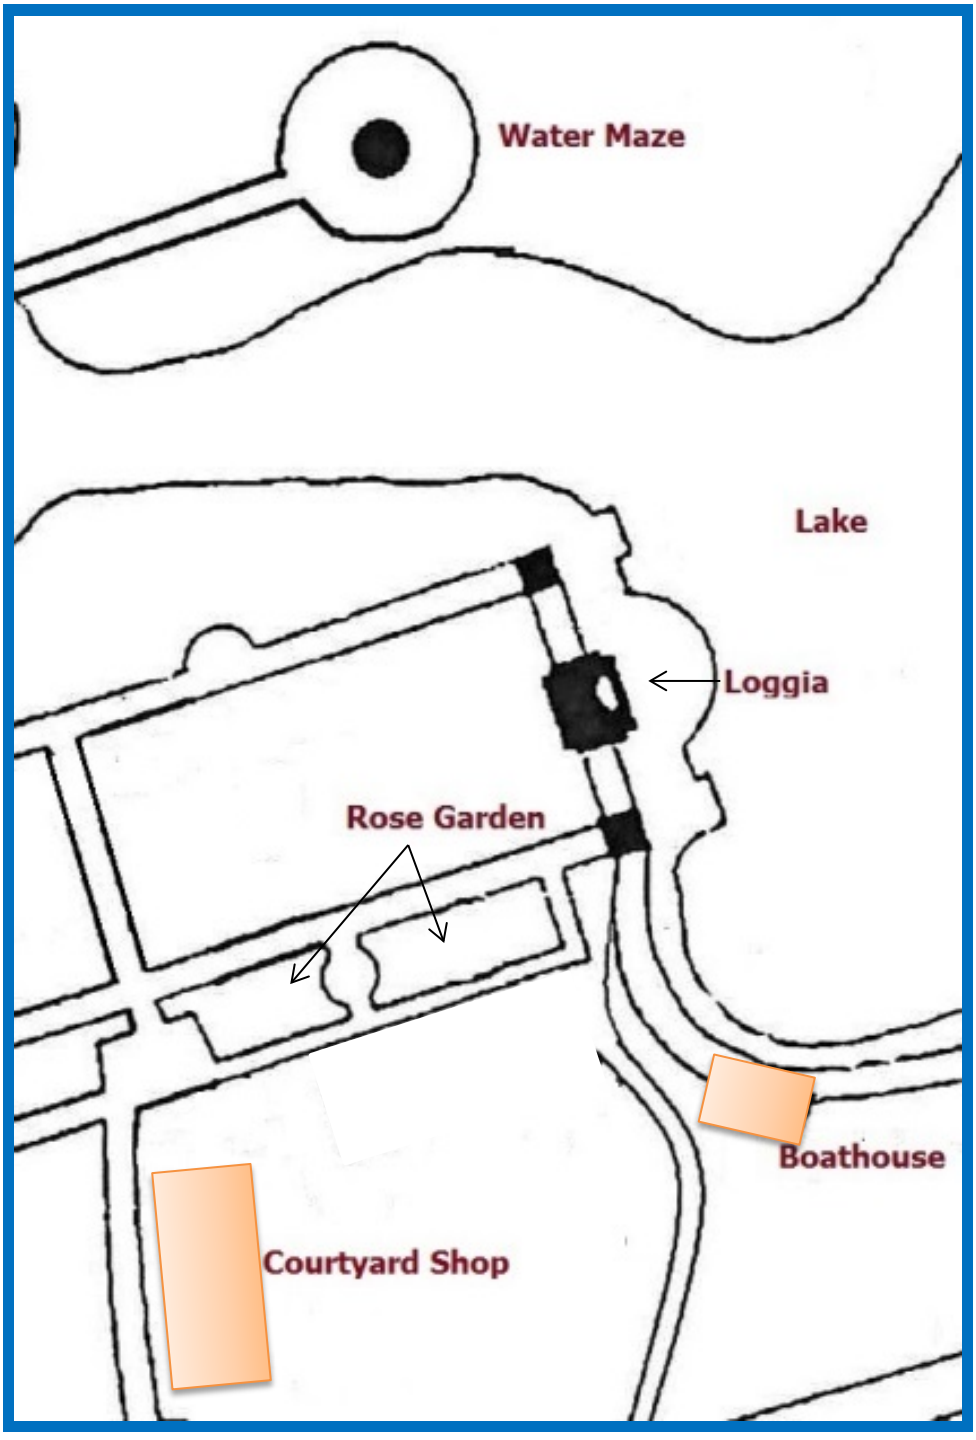

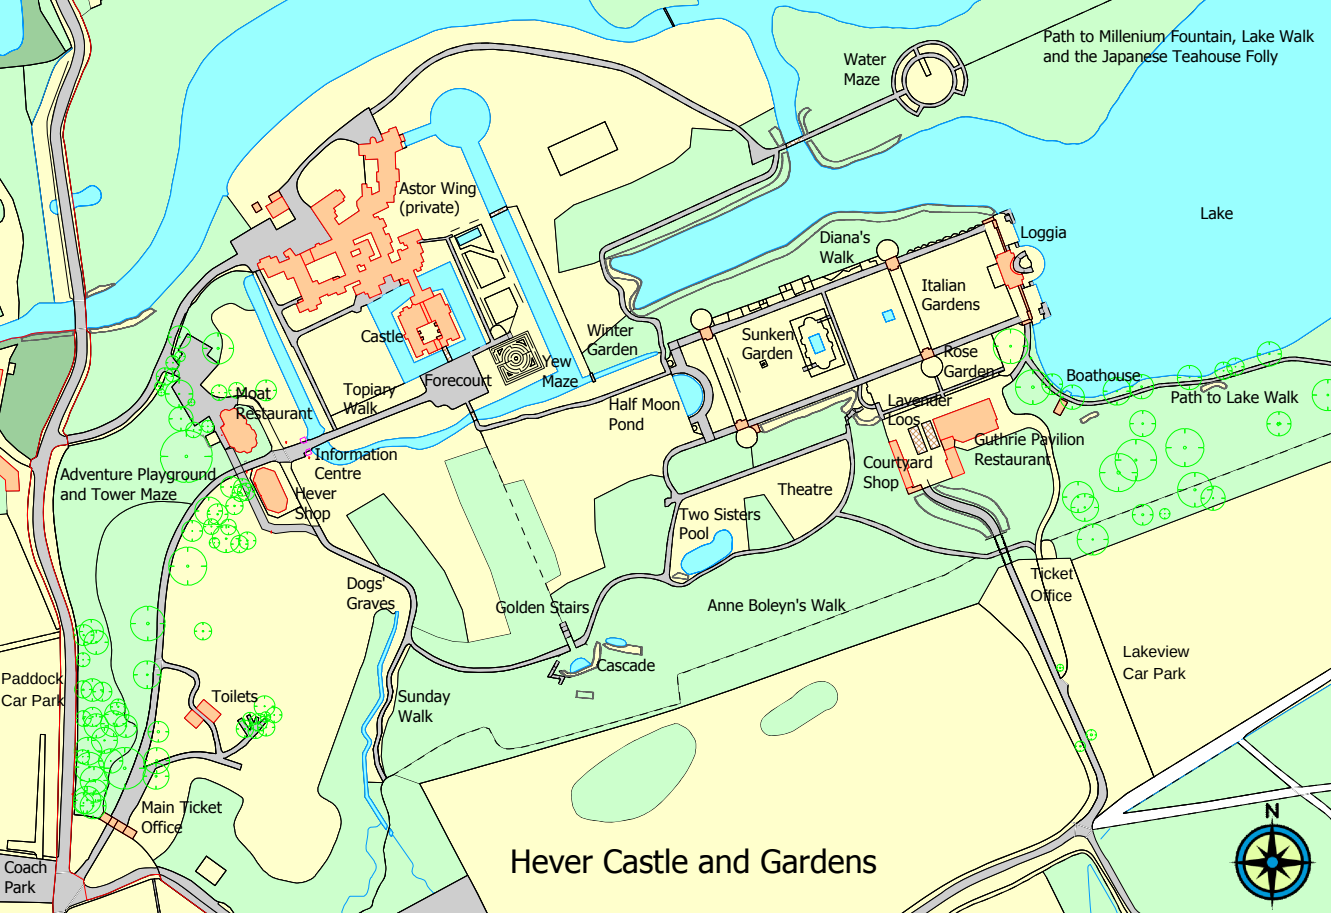

From the Loggia, face the fountain and walk up the steps on the far left (nearest the Boathouse). Continue along the path in a south westerly direction and walk through the first gate on your left.

Walk past the statue of Apollo and into the Rose Garden beyond.

a. In which direction do you have to look to see the fountain by the wall?
*Clue: the fountain faces north east.*

b. Plot the position of the Guthrie Pavilion Restaurant and Lavender Loos and then draw them on the map below.
