AN EXPERIENCE TO REMEMBER

MEMORABLE WINTER GOLF

Welcome to your 2023/24 autumn and winter golf day guide. Hever Castle Golf Club has a selection of packages and bespoke experiences to suit the needs and size of your group, and throughout December we can even add a festive touch to your day.

These packages reflect the shorter golfing time available to play. The Winter Promise guarantees no temporary greens* and means you can play the course as intended all year round, giving you an outstanding golf experience even out of season. Should the course be closed due to poor weather, we have an easy re-book or refund policy.

A warm friendly welcome awaits you in the Clubhouse. The Waterside Bar, Restaurant & Terrace offers the perfect place to enjoy drinks, breakfast, brunch or lunch. For those chilly afternoons and evenings a traditional log burner provides a cosy setting for a hearty seasonal meal after your golf.

Whatever type of golf day you are planning, your dedicated golf days co-ordinator will help you plan your perfect day out. Standard packages are available but we can also help you to arrange a bespoke day to suit your needs and budget.

*Under the Winter Promise our intention is to deliver main greens whenever possible. However, when essential maintenance work is necessary, there can be occasions when a green or tee could be taken out of play.
